NUMBER TALKS ONLINE SERIES

*Bringing the Standards for Mathematical Practice to Life in
Grades 3-12 Classrooms*

Whether teachers have tried *Number Talks* with their students before, or are new to *Number Talks*, this ongoing job-embedded online series will help them learn how to make *Number Talks* a vibrant and essential part of their everyday classroom practice.

Participants will:

- Receive copies of the books [Making Number Talks Matter](#) and [Digging Deeper: Making Number Talks Matter Even More](#).
- Experience a learning environment that embodies the Standards for Mathematical Practice.
- Enjoy real-time support over time as they use Number Talks in their classrooms.
